Albanchez

€95,000

Very large house in the centre of the charming village of Albanchez, Almeria.

The property consists of 3 floors and the owners have partially renovated the property. It is in excellent structural order with a new roof and new floors. The property retains many charming features and is full of character

The first floor has a square meterage of approx 150m² and has 2 bedrooms, bathroom and kitchen-diner and lounge with wood burner. The second floor has 4 bedrooms, bathroom and a sun terrace with views to the mountains. The upper floor consists of 2 large rooms. Lots of potential for a large family home, guest house or B+B.

Albanchez is a traditional town with narrow cobbled streets , a lively community and fabulous views.
