Las Pocicas

€54,000

A semi-detached cortijo close to the village of Las Pocicas. The cortijo is in good condition overall but needs a reform to appreciate its full potential as a lovely home.
On the ground floor there are three bedrooms and a bathroom. There is also a lounge/dining room with fireplace and open kitchen.
A second kitchen with fireplace can be transferred into a utility room or extra lounge. Upstairs it is one big room, can easily be reformed into two more bedrooms or living space.
Outside there is space for a patio which leads to the courtyard and plenty of storage place.
The property also consists of a spacious garage.
Las Pocicas has a bakery, shop, bars, school, doctor and a fabulous municipal pool during the summer months. The town of Albox is only at a 15 minutes drive.
