Los Cerricos

€46,000

A lovely Cortijo for sale in a rural location close to the village of Los Cerricos here in the north of the province of Almeria. Steps lead up to a small garden space and to the house. Upon entry is the traditional Spanish style kitchen with dining space. The kitchen leads onto the lounge with a fireplace . At the rear of the property on the ground floor is a washroom and another room currently used for storage but would easily convert into a bedroom.
Upstairs there are two doublé bedrooms , a bathroom with bath and a nice terrace to the front offering great views of the surrounding landscape.The cortijo has kept all its traditional features with wooden wndows and beams throughout. The village of Los Cerricos is a short drive or a walkable distance and has a couple of bars. The larger towns of Oria and Chirivel are a twenty minute drive on a good road . From Chirivel there is also good access to the motorway for Lorca,Murcia,Alicante and Baza and Granada in the other direction.
