Albanchez

€69,000

A large three storey town house for sale in the pretty town of Albanchez here in Almeria Province. The house occupies a prime corner location in the town square. The ground floor comprises of a lounge upon entry with two bedrooms, a smaller lounge, bathroom, kitchen, larder space and a small corral formerly used for keeping animals. The second floor has a further four bedrooms, a washroom, and a small room with fireplace. Moving up to the third floor there are four rooms and two terraces to enjoy the views from. This property is in need of a reform but has plenty of potential to become a nice family home. The town of Albanchez is completely self sufficient with all the services including a bank, 24 hour medical service, bars, restaurants, petrol station, market and sports facilities including a municipal pool in the summer.
