Taberno

€49,000

A quaint and very different two storey village house for sale in the centre of Taberno. The ground floor has an entrance hall, two lounges, large bathroom and a kitchen which leads to a utility room and access to an internal patio and roof terrace.

Upstairs there are a further three bedrooms, lounge area and a bathroom with shower cubicle. The property also has the bonus of a garage of approximately 20m² for off road parking.

In the village of Taberno, you will find a typical Spanish town with health centre, pharmacy, bars, shops and a swimming pool in the summer months. The main towns of Albox and Huercal-Overa are also easily accessible on good roads and the beach is only 45 minutes away.
