Oria

€145,000

A lovely modern detached villa for sale in the town of Oria here in the northern part of Almeria Province. The fully walled and gated villa enjoys a peaceful private location and is just a short stroll from the town centre. The four bedroomed property has a nice garden area with space for an above ground pool and leads up to a lovely terrace with a view across to the castle remains of the town.

Upon entry the villa has a spacious lounge with dining space on the right, across the hallway is the fabulous fully fitted kitchen containing a larder space. The kitchen also gives access to the garage space and a useful utility room with a single bedroom.

Further along the hallway are three bedrooms and bathroom with shower cubicle. The villa has a central heating system fitted with a boiler room to the rear of the property.

A great property to choose to be in walking distance of a nice town and yet still private and peaceful.

The town of Oria has all the services including health centre, supermarkets, market, banks, schools, bars and sports facilities such as the Municipal Swimming Pool in the summer and is an excellent area for walkers and cyclists. Oria has good road links to the Almanzora Valley, the coast and the Motorway for Lorca, Granada and the airports of Alicante, Murcia and Almeria.
