Sierro

€39,000

A large house for sale in the pleasant whitewashed village of Sierro here in the heart of the Almanzora Valley. The house is spread over three floors with a lower floor (basement) having one large bedroom, small lounge, a third room and store room. Steps then lead up to the main living area which has two double and one single bedroom, two bathrooms, one with bath and one with shower cubicle, a living room with direct access to a patio area and kitchen with dining room and plenty of cupboard space and storage room. Stairs then lead up to the top floor which has three more bedrooms, and a nice terrace with views of the castle, village and surrounding mountains. The terrace also has a small room with fireplace. From the terrace there is also access by stairs to the top roof.

The house is tucked away in a narrow street in the village centre and the access is quite steep so any potential buyer would need to be in good health. Parking is available a short walk away in the area of the village square.

Sierro is located in the beautiful Sierra de Los Filabres mountain range and is known for its castle. Sierro has a couple of bars and shops, a market on Mondays, sports facilities and a Municipal swimming pool in the summer months. The village also has a pharmacy and a doctor visits twice weekly.
