Albox

€75,000

A large double Cortijo for sale in the area of Albox. Situated in a peaceful location on a large plot of land the property has amazing panoramic views of the surrounding countryside. In need of renovation, the left hand side of the Cortijo has approximately six rooms on the ground floor and an upstairs area without access at the moment. The right hand side has more rooms on a ground floor level. The cortijo has no wáter or electric but both utilities are close by for easy connection and is reached along a good road and then a rural track for the last kilometre or so.

Once renovated the Cortijo would make a fabulous home in a tranquil area with fabulous views. The property is around twenty minutes drive from the main town of Albox which has all the necessary services such as health care, schools, banks, bars, restaurants, supermarkets, sports facilities, and with good motorway access to the coast and airports of Almeria, Murcia and Alicante.
